Dear Mr. Weisberg:

The research material on Lee Harvey Oswald in the Edward Jay Epstein collection is voluminous. The interviews with Marines who knew Oswald consist of two large volumes. Without the permission of Mr. Epstein, we are unable to make any copies of this original material. If you do receive permission we would still find it necessary to restrict the amount of photocopying we would do because of staff limitations.

We would be glad to have you use the collection here: our hours are 9 to 5, Monday through Friday. This would also enable you to be selective in your photocopy request should Mr. Epstein give you permission to do so.

Sincerely,

Margaret R. Goostray
